Prot.S.G. – L. 042/2020

Dear Sisters and Members of the Cabrini World Community,

The person of Francesca Saverio Cabrini is very much alive and present to us today. She walks with us, animates us, encourages us, and yes, even challenges us:

It is time today for love not to hide; rather to be laborious, alive and real. Thus, if you love Jesus, come on, get moving, be brave.

Our world is experiencing so much, not unlike what was true in previous centuries. Famine, migration, and natural disasters occur in various parts of the globe, and economic inequality, division, racism, as well as wars, cause much fear and uncertainty. A pandemic covers the face of our planet claiming the lives of numerous persons. 2020 is a year that demands much of us.

As we have done in the past and continue to do now, let us continue to respond to God's abundant graces by standing together, thanking God for all we have received, and giving of ourselves with great generosity. Together we are Love made visible.

United with you in the Heart of Jesus as we celebrate this Cabrinian feast and Foundation Day,

Sr. Barbara Louise Staley, MSC
General Superior
