

MERRY *Christmas*
AND A HAPPY NEW YEAR!

Yes, Baby Jesus, your Spouse has come to light this fire of love in each of your hearts.

St. Frances X. Cabrini

In 2023:

- 793 children received quality education in our 5 preschools;
- More than 1500 among parents and caregivers received support and training to improve and diversify their income;
- About 45,000 people received medical assistance at our healthcare facilities;
- More than 2000 children were born at our hospital;
- 35 youth were supported to complete their high school education;
- More than 6000 mothers and caregivers attended community health education sessions at our healthcare facilities and in the surrounding villages;
- About 11.500 among children and their caregivers benefited from our social services

across our missions and ministries in eSwatini, Ethiopia and Uganda.

*Thank you for being at our side this year
in achieving these results!*
